## CYBER P.L.A.N.

---

Each step of my Cyber P.L.A.N. helps keep me safe on the Internet.

**P** – is important because I should always have **Permission** from a trusted adult to go online. I have the responsibility to protect my password.

**L** – **Location** – a trusted adult has approved the website or game site I will be visiting online.

**A** – a permitted **Activity** of a game, site, or app that is allowed by a trusted adult.

**N** – is the **Name** of the person(s) I am communicating with online. I understand that anyone can say they are anyone online. I will not ever give personal information online or ever agree to meet in person with anyone I have met online.
